Rhonda,

The last intern folder you ask me to create was for the summer program and we have taken care of all of them. I gave you a folder with new applicants and you stated you would get back with me with them.

Rhonda,

I am sorry but I don't recall you asking me to prepare acceptance letters for interns. As I mention below the last acceptance letter you inform me to do was for Mr. Brown and the letter has already been sent. Yesterday you inform me of a acceptance for a residency for Mr. Rafael Barney, and per my text message to you I put the draft letter in your office box but I will email the letter to you as well.

The last request you ask of me concerning a extended program was for Mr. Rowdy Daigle but you interviewed him for Residency however you stated he didn't qualify for a residency.

The last applicant for interns you did interviews with were for the summer program and all of them have been taken care of. Mrs. Dorothy Woods-Burks you put her on the extended list but never gave me instructions to send her a letter. Please inform me as to who these four interns are because I am unable to draft letters for interns if I don't know who they are.

Joyce

You ask me to draft a acceptance letter only for Rev. Brown and a waitlist letter for Cheron (message below). I didn't receive any instructions concerning Mr. Rafael however I will draft a acceptance letter for him today the other applications you stated you would look over and let me know.

“Would you please prepare an acceptance letter for Rev. Brown and a “waitlist” letter for Rev. Thomas? I will sign them later today. Thank you. RGG “

I believe I asked you to draft an acceptance letter for him and three others for a future extended unit.
